

Dear Chamber Members,

Happy Summer! It's already time to begin thinking about Cornfest! It's our 78th year, and we hope to make it another memorable one with a variety of fun activities for all ages! Like last year, we will be doing sponsorships this year again. If you would like a certain event to come back to Cornfest or to have a new event added, we would love to have you sponsor that event!

We appreciate any donation you feel is affordable. The partnership between us makes Cornfest happen and we need your financial support. The Chamber thanks you!
